

Notre Dame May Get Chance to Play Post Season Game in East

TWO NOTRE DAME REGULARS BACK

Full Back Miller and End Whipple Both in Scrimmage for Wabash Game.

Activities on Cartier Field yesterday brought about two important developments. John Miller, varsity fullback, took part in the scrimmage for the first time in three weeks and "Dutch" Whipple showed such condition that he may start the Wabash game at end.

The appearance of Miller in scrimmage brought joy to the hearts of the rooters. John has been out of active competition since he was injured three weeks ago. He looked like the Miller of old in yesterday's workout and coaches and fans alike expect him to perform in stellar style against the Little Giants.

Whipple Much Improved.
Whipple suffered painful injuries during a workout last week and it was not until yesterday that he donned a suit. He showed such remarkable condition, however, that the hopes of the coaches were raised and it is now thought likely that he will be in shape to play against the Crawfordsville aggregation.

The varsity eleven, minus Bachman, DeGree, McInerny and Whipple, was kept on the defensive by the Freshmen and several of the Hoosier players were tried time and again, but the coaches were not pleased with the way in which some of the men handled their parts.

Another strenuous drill is scheduled for today. Coach Harper may send his entire varsity squad against the freshmen in a long scrimmage.

Interest in the Notre Dame-Wabash game is increasing daily. It is a certainty that Wabash will be at least as heavy as the Hoosiers, perhaps even heavier. The Little Giants have been working diligently since the Purdue game and reports from Crawfordsville are to the effect that Wabash has improved by leaps and bounds and will come here in tip-top shape, with a firm intention to win.

Harper's squad is gradually rounding into shape, but some of the men are still ailing. Morales was unable to take part in yesterday's scrimmage because of a slight injury.

Tickets for the Saturday game were placed on sale at the Hull & Calmon, Anderson & Welch and Adler Brothers' stores yesterday. Athletic authorities at Notre Dame are expecting a heavy demand for the pasteboards and preparations are being made to handle a great crowd Saturday.

EM-ROE BASKET TEAM

Former Notre Dame Star is With Independent Team—Mgr. Goodman Wants Games.

News-Times Special Service:
INDIANAPOLIS, Ind., Oct. 25.—Although the thud of the pigskin and the cheer of the football fan are most prominent in the world of sport today, the Em-Roës, for the last three years basket ball champions of Indiana, are now making plans for a roatale season on the basket ball floor this winter. Dan V. Goodman, former Indiana university football star, has been chosen manager and is working on a schedule that will include a number of the strongest teams in the middle west.

The Em-Roës, by clean and superior playing, have made an enviable record throughout the state and will start the winter season with a string of 87 straight victories. Teams such as Indiana university, Dayton Cadets, Homer Micks, champions of Illinois excepting Chicago, and the Fort Wayne Lyceum Athletic club have fallen before the fast Indianapolis five.

The entire practice was spent in drilling the men on new formations. The Hammond eleven has been using the forward pass to good advantage and Coach Burham is drilling his defense so as to be able to break up this method of attack.

A long signal drill and a short scrimmage is on the program for this afternoon. At 10 o'clock Thursday morning, the regulars will play an all-star eleven, which is to be made up second string and inter-class players, at Leeper field.

Those who attended the banquet were Rev. Dougherty, Rev. Gardner, J. H. Zuver, Gus Haslanger, Fred Harrison, Glenn Gall, Russell Place and the following members of the team, Russell Hupp, Clarence Willis, Edward Zilky, George Stover, M. L.
